

Culture Centre „Toszek Castle” is a council cultural institution. It was created in 1977 by the town council as The Council Culture Centre in Toszek. Since that time the institution changed the name twice, in 1980 and 2007 and became Culture Centre “Toszek Castle”.

### Our mission

Diagnosis, development, and fulfillment of cultural and educational needs, interests of local community and promotion of cultural development. Cooperation with non-governmental organizations and informal local groups. Promotion of reading. Managing of a historical castle entered in the Registry of Historic Monuments. Development of tourism and promotion of the place by historic events.

Unconventional functioning of the institution result in a commercial enterprise which financial resources are allocated to the realization of multidirectional actions dedicated to culture and protection of precious cultural heritage, namely the castle in Toszek.
